13 (b)“Commission”, the Sunset Advisory Commission;

14 (c)“State Agency”, an agency expressly made subject to this chapter;

15 (d) "State Authority", any body politic and corporate that is constituted as a public
16 instrumentality of the commonwealth and is established by an act of the general court to serve an
17 essential governmental function. A state authority shall not be a state agency or owned by a city
18 or town, and shall not be confined to a particular geographical region that is smaller than the
19 commonwealth.

20 Section 3.

21 (a) Notwithstanding any other general or special law to the contrary, there is hereby
22 established a Massachusetts Sunset Advisory Commission, consisting of 5 members of
23 the senate, 4 of whom shall be appointed by the president of the senate and 1 of whom
24 shall be appointed by the minority leader of the senate, and 1 public member appointed
25 by the president of the senate and 5 members of the house of representatives, 4 of whom
26 shall be appointed by the speaker of the house of representatives, and 1 of whom shall be
27 appointed by the minority leader of the house, and 1 public member appointed by the
28 speaker of the house of representatives. The president of the senate and the speaker of
29 the house may serve legislative appointees.

30 (b) An individual is not eligible for appointment as a public member if the individual or the
31 individual’s spouse is:

32 (1) Regulated by a state agency that the commission will review during the term
33 for which the individual would serve;

34 (2) Employed by, participating in the management of, or having, directly or
35 indirectly, more than a 10 per cent interest in a business entity or other

36 organization regulated by a state agency the commission will review during
37 the term for which the individual would serve; or

38 (3) Required to register as an executive or legislative agent under section 41 of
39 chapter 3 because of the person's activities for compensation on behalf of a
40 profession or entity related to the operation of an agency under review.

41 (c) A public member of the commission shall be removed if the member does not have the
42 qualifications required by subsection (b) for appointment to the commission at the time of
43 appointment or does not maintain the qualifications while serving on the commission.

44 The validity of the commission's action is not affected by the fact that it was taken when
45 a ground for removal of a public member from the commission existed.

46 (d) Legislative members shall serve 2-year terms, conterminous with their service as elected
47 members of the legislature. If a legislative member ceases to be a member of the
48 legislature, the legislator's position shall be declared vacant, and the balance of the term
49 filled by another legislator appointed in the same manner as the previous appointee. If
50 the president of the senate or the speaker of the house serves on the commission, service
51 continues until resignation from the commission or until the individual ceases to hold the
52 office. Public members shall serve 2-year terms expiring January 1 of each odd-
53 numbered year.

54 (e) Members other than the president of the senate and the speaker of the house are subject to
55 the following restrictions:

56 (1) After a public member serves 6 consecutive years on the commission, the
57 individual is not eligible for appointment to another term or part of a term
58 until the expiration of 2 years;

59 (2) A legislative member who serves a full term may not be appointed to an
60 immediately succeeding term; and

61 (3) A public member may not serve more than 3 consecutive 2-year terms;
62 provided, however, that, for purposes of this prohibition, a member is
63 considered to have served a term only if the member has served more than
64 half of the term.

65 (f) The president of the senate and the speaker of the house shall make their appointments
66 before February 1 of each odd-numbered year.

67 (g) If a legislative member ceases to be a member of the house from which he was appointed,
68 that member vacates his membership on the commission.

69 (h) If a vacancy occurs, the appropriate appointing authority shall appoint a person to serve
70 for the remainder of the unexpired term in the same manner as the original appointment.

71 (i) The commission shall have a chair and a vice-chair as presiding officers. The chair and
72 vice-chair positions must alternate every 2 years between the 2 membership groups
73 appointed by the president of the senate and the speaker of the house. The chair and vice-
74 chair may not be from the same membership group. The president of the senate shall
75 designate a presiding officer from the president's appointed membership group and the
76 speaker shall designate the other presiding officer from the speaker's appointed
77 membership group.

78 (j) Seven members of the commission constitute a quorum. A final action or
79 recommendation may not be made unless approved by a recorded roll call vote of a
80 majority of members appointed by the president of the senate and the speaker of the

81 house. All other actions by the commission shall be decided by a majority of the
82 members present and voting.

83 (k) Each member of the commission is entitled to reimbursement for actual and necessary
84 expenses incurred in performing commission duties. Each legislative member is entitled
85 to reimbursement from the appropriate fund of the member's respective house. Each
86 public member is entitled to reimbursement funds appropriated to the commission.

87 Section 4.

88 (a) The commission shall employ an executive director to act as the executive head of the
89 commission.

90 (b) The executive director shall employ persons necessary to carry out this chapter through
91 funds made available by the legislature.

92 (c) The chair and vice-chair of the commission may each employ a staff person to work for
93 them on matters related to commission activities.

94 Section 5.

95 The commission shall adopt rules necessary to carry out this chapter.

96 Section 6.

97 Before July 1 of the odd-numbered year before the year in which a state agency subject to
98 this chapter is abolished, the agency shall report to the commission:

99 (1) Information regarding the application to the agency of the criteria set forth in
100 section 10; and

101 (2) Any other information that the agency considers appropriate or that the
102 commission requests.

103 Section 7.

104 (a) Within 1 year of the appointment and qualification of the members of the commission,
105 and the organization of the commission staff, the commission shall assign sunset dates for
106 each agency, authority, and advisory committee of the commonwealth, and shall notify
107 the head of such agency, authority and advisory committee of the date selected. The
108 commission shall then file legislation with the general court to implement the abolition
109 schedule.

110 (b) Before January 1 of the year in which a state agency subject to this chapter and its

117 10;

118 (3) Conduct a review of the agency based on the criteria provided in section 10
119 and prepare a written report; and

120 (4) Review the implementation of commission recommendations contained in the
121 reports presented to the legislature during the preceding legislative session and
122 the resulting legislation.

123 (c) The written report prepared by the commission under clause (3) of subsection (b) shall be
124 a public record.

125 Section 8.

126 (a) Before February 1 of the year a state agency subject to this chapter and its advisory
127 committees are abolished, the commission shall conduct public hearings concerning but
128 not limited to the application to the agency of the criteria provided in section 10.

129 (b) The commission may hold the public hearings after the review of the agency required in
130 section 8 is complete and available to the public.

131 Section 9.

132 (a) At each regular legislative session, the commission shall present to the legislature and the
133 governor a report on the agencies and advisory committees reviewed.

150 and the problem or need has been addressed;

151 (3)

154 (b) The extent to which those activities are needed;

155 (4) An assessment of authority of the agency or authority relating to fees,
156 inspections, enforcement and penalties;

157 (5) Whether less restrictive or alternative methods of performing any function that
158 the agency or authority performs could adequately protect or provide service
159 to the public;

160 (6) The extent to which the jurisdiction of the agency or authority and the
161 programs administered by the agency authority overlap or duplicate those of
162 other agencies or authorities, the extent to which the agency or authority
163 coordinates with those agencies or authorities, and the extent to which the
164 programs administered by the agency or authority can be consolidated with
165 the programs of other state agencies;

186 abolished.

187 Section 11. In its report on a state agency, the commission shall:

188 (1) Make recommendations on the abolition, continuation or reorganization of

190 for performance of the functions of the agency, authority or advisory
191 committee;

192 (2) Make recommendations on the consolidation, transfer, or reorganization of

202 and the executive office for administration and finance.

203 (b) The commission shall have drafts of legislation prepared to carry out the commission's
204 recommendations under this section.

205 (c) After the legislature acts on the report, the commission shall present to the secretary of
206 administration and finance, the commission's recommendations that do not require a
207 statutory change to be put into effect.

208 Section 12. In the 2-year period preceding the date scheduled for the abolition of a state
209 agency under this chapter, the commission may exempt certain agencies from the
210 requirements of this chapter relating to staff reports, hearings, and reviews.

211 (a) The commission may only exempt agencies that have been inactive for a period of 2
212 years preceding the date the agency is scheduled for abolition or that have been rendered
213 inactive by an action of the legislature.

214 (b) The commission's action in exempting agencies or authorities under this section must be
215 done by an affirmative record vote and must be decided by a majority of all members
216 present and voting.

217 Section 13. During each legislative session, the staff of the commission shall monitor
218 legislation affecting agencies that have undergone sunset review and shall periodically report
219 to the members of the commission on proposed changes which would modify prior
220 recommendations of the commission.

221 Section 14. An advisory committee, the primary function of which is to advise a particular
222 state agency or authority, is abolished on the date set for abolition of the agency or authority
223 unless the advisory committee is expressly continued by law.

224 Section 15. During the annual session immediately before the abolition of a state agency,
225 authority or an advisory committee that is subject to this chapter, the legislature by law may
226 continue the agency, authority, or advisory committee for a period not to exceed 12 years.

227 (a) This chapter shall not prohibit the legislature from:

228 (1) Terminating a state agency, authority, or advisory committee subject to this
229 chapter at a date earlier than that provided in this chapter; or

230 (2) Considering any other legislation relative to a state agency, authority or
231 advisory committee subject to this chapter.

232 (a) Section 16. A state agency or authority that is abolished in an odd-numbered year may
233 continue in existence until June 30 of the following year to conclude its business. Unless
234 the law provides otherwise, abolition does not reduce or otherwise limit the powers and
235 authority of the state agency or authority during the concluding year. A state agency or
236 authority is terminated and shall cease all activities at the expiration of the 1-year period.
237 Unless the law provides otherwise, all rules that have been adopted by the state agency or
238 authority expire at the expiration of the 1-year period.

- 239 (b) Any un-obligated and unexpended appropriations of an abolished agency or advisory
240 committee lapse on September 1 of the year after abolition.
- 241 (c) Except as provided by subsection (f) or as otherwise provided by law, all money in a
242 dedicated fund of an abolished state agency, authority or advisory committee on
243 September 1 of the year after abolition is transferred to the General Fund. The part of the
244 law dedicating the money to a specific fund of an abolished agency becomes void on
245 September 1 of the year after abolition.
- 246 (d) Unless the law or a specific provision in the General Appropriations Act provides
247 otherwise, an abolished state agency, authority or advisory committee funded in the
248 General Appropriations Act may not spend or obligate any of the money appropriated
249 beyond one year from the date of abolition.
- 250 (e) Unless the governor designates an appropriate state agency as prescribed by subsection
251 (f), property and records in the custody of an abolished state agency, authority or
252 advisory committee on September 1 of the year after abolition shall be transferred to the
253 state archives. If the governor designates an appropriate state agency or authority, the
254 property and records shall be transferred to the designated state agency.
- 255 (f) The legislature recognizes the state's continuing obligation to pay bonded indebtedness
256 and all other obligations, including lease, contract, and other written obligations, incurred
257 by a state agency or authority abolished under this chapter, and this chapter does not
258 impair or impede the payment of bonded indebtedness and all other obligations, including
259 lease, contract and other written obligations, in accordance with their terms. If an
260 abolished state agency or authority has outstanding bonded indebtedness or other
261 outstanding obligations, including lease, contract or other written obligations, the bonds

262 and all other obligations, including lease, contract and other written obligations, remain
263 valid and enforceable in accordance with their terms and subject to all applicable terms
264 and conditions of the laws and proceedings authorizing the bonds and all other
265 obligations, including lease, contract and other written obligations. The governor shall
266 designate an appropriate state agency or authority that shall continue to carry out all
267 covenants contained in the bonds and in all other obligations, including lease, contract
268 and other written obligations, to complete the construction of projects or the performance
269 of other obligations, including lease, contract, and other written obligations. The
270 designated state agency or authority shall provide payment from the sources of payment
271 of the bonds in accordance with the terms of the bonds and shall provide payment from
272 the sources of payment of all other obligations, including lease, contract, and other
273 written obligations, in accordance with their terms, whether from taxes, revenues, or
274 otherwise, until the bonds and interest on the bonds are paid in full and all other
275 obligations, including lease, contract and other written obligations, are performed and
276 paid in full. If the proceedings so provide, all funds established by laws or proceedings
277 authorizing the bonds or authorizing other obligations, including lease, contract, and
278 other written obligations, shall remain with the comptroller or the previously designated
279 trustees. If the proceedings do not provide that the funds remain with the comptroller or
280 the previously designated trustees, the funds shall be transferred to the designated state
281 agency.

282 Section 17.

283 (a) The commission may issue process to compel the attendance of witnesses and the
284 production of books, records, papers and other objects necessary or proper for the

285 purposes of the commission proceedings. The process may be served on a witness at any
286 place in this state.

287 (b) If a majority of the commission directs the issuance of a subpoena, the chairman shall
288 issue the subpoena in the name of the commission.

289 (c) If the chairman is absent, the chairman's designee may issue a subpoena or other process
290 in the same manner as the chairman.

291 (d) If necessary to obtain compliance with a subpoena or other process, the commission may

293 in this state.

295 to the penalties of perjury.

296 (f) A witness who attends a commission proceeding under process is entitled to the same
297 mileage and per diem as a witness who appears before a grand jury in this state.

298 Section 18.

299 (a) The commission may request the assistance of state agencies and officers. When
300 assistance is requested, a state agency or officer shall assist the commission.

301 (b) In carrying out its functions under this chapter, the commission or its designated staff
302 member may inspect the records, documents and files of any state agency.

303 Section 19.

304 (a) A working paper, including all documentary or other information, prepared and
305 maintained by the commission staff in performing its duties under this chapter or other
306 law to conduct an evaluation and prepare a report is exempted from the public disclosure
307 requirements of chapter 66.

308 (b) A record held by another entity that is considered to be confidential by law and that the
309 commission receives in connection with the performance of the commission's functions
310 under this chapter or another law remains confidential and is exempted from the public
311 disclosure requirements of chapter 66.

312 Section 20.

313 If an employee is displaced because a state agency, authority, or advisory committee is
314 abolished, reorganized or continued, the state agency and the executive office of labor and
315 workforce development shall make a reasonable effort to relocate the disabled employee.
316 Except as otherwise expressly provided, abolition of a state agency does not affect the rights
317 and duties that matured, penalties that were incurred, civil or criminal liabilities that arose, or
318 proceedings that were begun before the effective date of abolition.

319 Section 21.

320 (a) Each bill filed in a house of the legislature that would create a new state agency, a new
321 authority, or a new advisory committee to a state agency shall be reviewed by the
322 commission.

323 (b) The commission shall review the bill to determine if:

- 324 (1) The proposed functions of the agency or committee could be administered by
325 1 or more existing state agencies or advisory committees;
- 326 (2) The form of regulation, if any, proposed by the bill is the least restrictive form
327 of regulation that will adequately protect the public;
- 328 (3) The bill provides for adequate public input regarding any regulatory function
329 proposed by the bill; and

330 (4) The bill provides for adequate protection against conflicts of interest within
331 the agency or committee.

332 (c) On request, the commission shall forward a written comment on the legislation to the
333 author of the bill and to the presiding officer of the committee to which the bill is
334 referred.

335 Section 22.

336 (a) The commission may accept gifts, grants and donations from any organization described
337 in Section 501(c)(3) of the Internal Revenue Code for the purpose of funding any activity
338 under this chapter.

339 (b) All gifts, grants, and donations must be accepted in an open meeting by a majority of the
340 voting members of the commission and reported in the public record of the commission
341 with the name of the donor and purpose of the gift, grant, or donation.

1521 human resources, financial management, information technology, legal, procurement and asset
1522 management, to minimize the administrative costs and expenses apportioned to participating
1523 institutions under this clause; provided, further, that the authority shall publish and disseminate
1524 through its website each fiscal year a schedule of fees or a methodology for determining fees to
1525 be charged under this clause, which shall result in similar charges for similarly-situated projects,
1526 regardless of the size of the participating institution;

1527 (p) acquire and enter into commitments to acquire a federally guaranteed security and
1528 pledge or otherwise use the federally guaranteed security in such manner as the authority shall
1529 approve to secure or otherwise provide a source of repayment on any of its bonds or to enter into
1530 an appropriate agreement with 1 or more participating institutions whereby the authority may
1531 make a loan to any such institution for the purpose of enabling such institution to fund or refund,

1532 directly or indirectly, the cost of acquiring or entering into commitments to acquire a federally
1533 guaranteed security; provided, however, that the federally guaranteed security is evidence of a
1534 federally insured project loan or, if not such evidence, that the authority determines that the
1535 federally guaranteed security has been issued to pass through a federally insured project loan;

1536 (q) issue electric rate reduction bonds, as defined in section 1H of chapter 164, for the
1537 benefit of any electric company, as defined in section 1 of said chapter 164, that is determined to
1538 be eligible for said bond financing by the department of energy resources under said chapter 164;
1539 provided, however, that such electric rate reduction bonds shall constitute bonds as defined in
1540 section 2; provided, further, that such an electric company shall be deemed to be a participating
1541 institution as defined in section 2; and provided further, that the financing or refinancing of
1542 transition costs or the acquiring of transition property as provided for in section 1H of said
1543 chapter 164 shall be deemed to be a project as defined in section 2; and

1544 (r) do all things necessary or convenient to carry out the purpose of this chapter.

1545 In carrying out the purposes of this chapter, the authority may undertake joint projects for 2 or
1546 more participating institutions for higher education or 2 or more participating hospitals, or for
1547 any combination of participating institutions for higher education and participating hospitals,
1548 and, thereupon, all other provisions of this chapter shall apply to and for the benefit of the
1549 authority and the participants in such joint projects.

1550 The authority shall not undertake a project on behalf of a public institution for higher
1551 education except upon written request made by the advisory committee on education policy
1552 established under section 2 of chapter 15A.

1553 Section 5. All expenses incurred in carrying out this chapter shall be payable solely from
1554 funds provided under the authority of this chapter and no liability or obligation shall be incurred

1555 by the authority under this chapter beyond the extent to which moneys shall have been provided
1556 under this chapter.

1557 Section 6. The authority may, directly or by and through a participating institution, as its
1558 agent, acquire by purchase solely from funds provided under the authority of this chapter, or by
1559 gift or devise, and take title to such lands, structures, property, real or personal, rights, rights-of-
1560 way, air rights, franchises, easements and other interests in lands, including lands lying under
1561 water and riparian rights, which are located within the commonwealth as the authority may deem
1562 necessary or convenient for the acquisition, construction or operation of a project, upon such
1563 terms and at such prices as may be considered by the authority to be reasonable and can be
1564 agreed upon between the authority and the owner in the name of the authority or in the name of 1
1565 or more participating institutions as its agent.

1566 Section 7. When the principal of and interest on revenue bonds of the authority issued to
1567 finance the cost of a particular project for 1 or more participating institutions, including revenue
1568 refunding bonds issued to refund and refinance the revenue bonds, have been fully paid and
1569 retired or when adequate provision has been made to fully pay and retire the revenue bonds, and
1570 all other conditions of the resolution or trust agreement authorizing and securing the revenue
1571 bonds have been satisfied and the lien of the resolution or trust agreement has been released in
1572 accordance with the resolution or trust agreement, the authority shall promptly do such things
1573 and execute such deeds and conveyances as are necessary and required to convey title to the
1574 project to the participating institutions, all to the extent that title to the project is not, at the time,
1575 vested in the participating institutions.

1576 Section 8. The authority may issue negotiable notes for a corporate purpose and may
1577 renew notes by issuing new notes, whether the notes to be renewed have or have not matured.

1578 The authority may issue notes partly to renew notes or to discharge other obligations then
1579 outstanding and partly for any other purpose. The notes may be authorized, sold, executed and
1580 delivered in the same manner as bonds. A resolution authorizing notes of the authority or an
1581 issue of notes by the authority may contain provisions which the authority is authorized to
1582 include in a resolution authorizing revenue bonds of the authority or an issue of bonds by the
1583 authority, and the authority may include in a note any terms, covenants or conditions which it is
1584 authorized to include in any bonds. A resolution may delegate to the executive director, assistant
1585 executive director, or any member of the authority or any combination of them, the power to
1586 determine any of the details of the notes and to award the notes to a purchaser. All the notes
1587 shall be payable solely from the revenues of the authority, subject only to any contractual rights
1588 of the holders of any of its notes or other obligations then outstanding.

1589 Section 9. (a) The authority may issue revenue bonds for any corporate purpose and all
1590 the revenue bonds, notes, bond anticipation notes or other obligations of the authority issued
1591 under this chapter shall be negotiable for all purposes notwithstanding their payment from a
1592 limited source and notwithstanding any general or special law to the contrary. In anticipation of
1593 the sale of revenue bonds the authority may issue negotiable bond anticipation notes and may
1594 renew the notes from time to time, but the maximum maturity of a bond anticipation note,
1595 including renewals of that note, shall not exceed 5 years from the date of issue of the original
1596 note. Bond anticipation notes shall be paid from revenues of the authority available for that
1597 purpose and not otherwise pledged, or from the proceeds of sale of the revenue bonds of the
1598 authority in anticipation of which they were issued. The notes shall be issued in the same manner
1599 as the revenue bonds. The notes and the resolution authorizing those notes may contain any
1600 provisions, conditions or limitations which a bond resolution of the authority may contain.

1601 (b) The revenue bonds and notes of every issue shall be payable solely out of revenues to
1602 the authority, subject only to any agreements with the holders of particular revenue bonds or
1603 notes pledging any particular revenues and subject to any agreements with any participating
1604 institution. Notwithstanding that revenue bonds and notes may be payable from a special fund,
1605 they shall be and be deemed to be, for all purposes, negotiable instruments, subject only to the
1606 provisions of the revenue bonds and notes for registration.

1607 (c) The revenue bonds may be issued as serial bonds or as term bonds, or the authority, in
1608 its discretion, may issue bonds of both types. The revenue bonds shall be authorized by
1609 resolution of the members of the authority and shall bear such date or dates, mature at such time
1610 or times, not exceeding 50 years from their respective dates, bear interest at such rate or rates,
1611 payable at such time or times, be in such denominations, be in such form, either coupon or
1612 registered, carry such registration privileges, be executed in such manner, be payable in lawful
1613 money of the United States of America at such place or places, and be subject to such terms of
1614 redemption, as such resolution or resolutions may provide. Such resolution or resolutions may
1615 delegate to the executive director, assistant executive director or any member of the authority or
1616 any combination of them, the power to determine any of the matters set forth in this section and
1617 the power to award the bonds to a purchaser or purchasers at public sale or to negotiate a sale to
1618 a purchaser or purchasers provided in the latter case that the bonds are to be reoffered to the
1619 public. The revenue bonds or notes may be sold at public or private sale for such price or prices
1620 as the authority shall determine. Pending preparation of the definitive bonds, the authority may
1621 issue interim receipts or certificates which shall be exchanged for such definitive bonds.

1622 (d) A resolution authorizing a revenue bond or an issue of revenue bonds may contain
1623 provisions, which shall be a part of the contract with the holders of the revenue bonds to be
1624 authorized, as to:

1625 (1) pledging all or any part of the revenues of a project, a revenue producing
1626 contract made by the authority with an individual, partnership, corporation or association
1627 or other body, public or private, or a federally guaranteed security and moneys received
1628 therefrom whether the security is acquired by the authority or a participating institution to
1629 secure the payment of the revenue bonds or of any particular issue of revenue bonds,
1630 subject to such agreements with bondholders as may then exist; (2) the rentals, fees and
1631 other charges to be charged, and the amounts to be raised in each year by those rentals,
1632 fees and charges, and the use and disposition of the revenues; (3) the establishment and
1633 setting aside of reserves or sinking funds, and the regulation and disposition of those
1634 reserves or sinking funds; (4) limitations on the right of the authority or its agent to
1635 restrict and regulate the use of the project; (5) limitations on the purpose to which the
1636 proceeds of sale of any issue of revenue bonds then or thereafter to be issued may be
1637 applied, including as authorized purposes, all costs and expenses necessary or incidental
1638 to the issuance of bonds, to the acquisition of or commitment to acquire a federally
1639 guaranteed security and to the issuance and obtaining of a federally insured mortgage
1640 note and pledging such proceeds to secure the payment of the revenue bonds or an issue
1641 of the revenue bonds; (6) limitations on the issuance of additional bonds, the terms upon
1642 which additional bonds may be issued and secured and the refunding of outstanding
1643 bonds; (7) the procedure, if any, by which the terms of a contract with bondholders may
1644 be amended or abrogated, the amount of bonds the holders of which must consent thereto,

1645 and the manner in which such consent may be given; (8) limitations on the amount of
1646 moneys derived from the project to be expended for operating, administrative or other
1647 expenses of the authority; (9) defining the acts or omissions to act which shall constitute
1648 a default in the duties of the authority to holders of its obligations and providing the
1649 rights and remedies of such holders in the event of a default; (10) the duties, obligations
1650 and liabilities of any trustee or paying agent; and (11) the mortgaging of a project and the
1651 site of the project for the purpose of securing the bondholders.

1652 (e) Neither the members of the authority nor a person executing the revenue bonds or
1653 notes shall be liable personally on the revenue bonds or notes or be subject to any personal
1654 liability or accountability due to the issuance of the bonds or notes.

1655 (f) The authority shall have power out of any funds available for the authority to
1656 purchase its bonds or notes. The authority may hold, pledge, cancel or resell those bonds or
1657 notes, subject to and in accordance with agreements with bondholders.

1658 Section 10. In the discretion of the authority a revenue bond issued under this chapter
1659 may be secured by a trust agreement by and between the authority and a corporate trustee, which
1660 may be a trust company or bank having the powers of a trust company under section 1A of
1661 chapter 172 or a savings bank under section 2 of chapter 167F within the commonwealth. The
1662 trust agreement or the resolution allowing the authority to issue those revenue bonds may pledge
1663 or assign the revenues to be received or proceeds of a contract pledged and may convey or
1664 mortgage the project or a portion of the project. A trust agreement or resolution allowing the
1665 authority to issue the revenue bonds may contain provisions for protecting and enforcing the
1666 rights and remedies of the bondholders as may be reasonable and proper and not in violation of
1667 law, including particularly provisions that are specifically authorized by this chapter to be

1668 included in a resolution of the authority authorizing revenue bonds of the authority. A bank, trust
1669 company or savings bank incorporated under the laws of the commonwealth which may act as
1670 depository of the proceeds of bonds or of revenues or other moneys may furnish the
1671 indemnifying bonds or pledge the securities as may be required by the authority. A trust
1672 agreement may set forth the rights and remedies of the bondholders and of the trustee, and may
1673 restrict the individual right of action by bondholders. A trust agreement or resolution may also
1674 contain other provisions as the authority may deem reasonable and proper for the security of the
1675 bondholders. All expenses incurred in carrying out the trust agreement or resolution may be
1676 treated as a part of the cost of the operation of a project.

1677 Section 11. Revenue bonds issued under this chapter shall not be deemed to constitute a
1678 debt or liability of the commonwealth or of any political subdivision of the commonwealth or a
1679 pledge of the faith and credit of the commonwealth or of any political subdivision of the
1680 commonwealth, but shall be payable solely from the funds provided for payment of those funds
1681 from revenues. A revenue bond shall contain on its face a statement to the effect that neither the
1682 commonwealth nor the authority shall be obligated to pay the revenue bond or the interest on the
1683 revenue bond except from revenues of the project or the portion of the project for which they are
1684 issued and that neither the faith and credit nor the taxing power of the commonwealth or of a
1685 political subdivision of the commonwealth is pledged to the payment of the principal of or the
1686 interest on the bond. The issuance of revenue bonds under this chapter shall not directly or
1687 indirectly or contingently obligate the commonwealth or a political subdivision of the
1688 commonwealth to levy or to pledge any form of taxation or to make an appropriation for their
1689 payment.

1690 Section 12. (a) The authority may fix, revise, charge and collect rates, rents, fees and
1691 charges for the use of and for the services furnished or to be furnished by each project and the
1692 authority may contract with any person, partnership, association or corporation, or other body,
1693 public or private, for those purposes.

1694 (b) The rates, rents, fees and charges shall be fixed and adjusted in respect of the
1695 aggregate of rates, rents, fees and charges from a project so as to provide funds sufficient with
1696 other revenues, if any: (1) to pay the cost of maintaining, repairing and operating the project and
1697 each and every portion thereof, to the extent that the payment of a cost has not otherwise been
1698 adequately provided for; (2) to pay the principal of and the interest on outstanding revenue bonds
1699 of the authority issued in respect of that project as the same shall become due and payable; and
1700 (3) to create and maintain reserves required or provided for in any resolution authorizing, or trust
1701 agreement securing, those revenue bonds of the authority.

1702 (c) The rates, rents, fees and charges shall not be subject to supervision or regulation by
1703 any department, commission, board, body, bureau or agency of this commonwealth other than
1704 the authority, except as provided in section 13.

1705 (d) A sufficient amount of the revenues derived in respect of a project, except the part of
1706 those revenues as may be necessary to pay the cost of maintenance, repair and operation and to
1707 provide reserves and for renewals, replacements, extensions, enlargements and improvements as
1708 may be provided for in the resolution authorizing the authority to issue revenue bonds of the
1709 authority or in the trust agreement securing the revenue bonds, shall be set aside at such regular
1710 intervals as may be provided in the resolution or trust agreement in a sinking or other similar
1711 fund which is hereby pledged to, and charged with, the payment of the principal of and the
1712 interest on the revenue bonds as the payment of the principal of and interest on the revenue

1713 bonds shall become due, and the redemption price or the purchase price of bonds retired by call
1714 or purchase as provided in the resolution or trust agreement. A pledge shall be valid and binding
1715 from the time when the pledge is made; the rates, rents, fees and charges and other revenues or
1716 other moneys so pledged and thereafter received by the authority shall immediately be subject to
1717 the lien of the pledge without any physical delivery of the lien or further act, and the lien of any
1718 such pledge shall be valid and binding as against all parties having claims of any kind in tort,
1719 contract or otherwise against the authority, irrespective of whether such parties have notice of the
1720 lien.

1721 (f) Neither the resolution nor a trust agreement by which a pledge is created need be filed
1722 or recorded except in the records of the authority. The use and disposition of moneys to the credit
1723 of such sinking or other similar fund shall be subject to the resolution authorizing the authority to
1724 issue the bonds or of the trust agreement.

1725 (g) Except as may otherwise be provided in a resolution or a trust agreement, a sinking
1726 or other similar fund shall be a fund for all the revenue bonds issued to finance a project at 1 or
1727 more participating institutions, without distinction or priority of one over another; provided,
1728 however, that the authority in a resolution or trust agreement may provide that the sinking or
1729 other similar fund shall be the fund for a particular project at an institution and for the revenue
1730 bonds issued to finance a particular project and may, additionally, permit and provide for the
1731 authority to issue revenue bonds having a subordinate lien in respect of the security authorized in
1732 this section to other revenue bonds of the authority and, in such case, the authority may create
1733 separate or other similar funds in respect of the subordinate lien bonds.

1734 Section 13. In the case of a project for a public institution for higher education, an
1735 establishment or revision of rules and regulations for the use of that institution and the fixing or

1736 revising of rates, rents, fees or other charges by the authority shall require the approval of the
1737 trustees. The trustees shall exercise their powers so that the aggregate of the rates, rents, fees and
1738 charges from the project with other revenues, if any, shall be sufficient: (1) to pay the cost of
1739 maintaining, repairing and operating the project and each and every portion of the project, to the
1740 extent that the payment of the cost has not otherwise been adequately provided for; (2) to pay the
1741 principal of and the interest on outstanding revenue bonds of the authority issued in respect of
1742 such project as the principal of and the interest on those bonds shall become due and payable;
1743 and (3) to create and maintain reserves required or provided for in any resolution authorizing, or
1744 trust agreement securing, such revenue bonds of the authority. Upon a failure of the trustees to
1745 exercise those powers, the authority may establish or revise such rules and regulations and fix or
1746 revise such rates, rents, fees or other charges without the approval of the trustees; provided,
1747 however, that in that case the trustees may propose alternative rules and regulations or scale of
1748 rates, rents, fees or other charges which shall then be adopted by the authority if they will
1749 produce sufficient aggregate revenues to meet the requirements. The rates, rents, fees or other
1750 charges shall not, except as expressly provided in this section with respect to the trustee, be
1751 subject to supervision or regulation of a department, division, commission, board, bureau or
1752 agency of the commonwealth or a political subdivision of the commonwealth.

1753 For the purpose of this section, the term "trustees" shall mean: (1) the advisory committee
1754 on education policy established in section 2 of chapter 15A, in the case of any state college, as
1755 listed in section 19 of chapter 73, or in the case of any community college, as defined in section
1756 10 of chapter 15A; or (2) the trustees of the public institution of higher education, or said
1757 advisory committee on education policy if authorized by the trustees, in the case of a public
1758 university.

1759 Section 14. Money received under the authority of this chapter, whether as proceeds from
1760 the sale of bonds or as revenues, shall be deemed to be trust funds to be held and applied solely
1761 as provided in this chapter. An officer with whom, or a bank or trust company with which, such
1762 money shall be deposited shall act as trustee of that money and shall hold and apply that money
1763 for the purposes provided in this chapter, subject to such regulations as this chapter and the
1764 resolution authorizing the bonds of an issue or the trust agreement securing those bonds may
1765 provide.

1766 Section 15. Any holder of revenue bonds, notes, bond anticipation notes, other notes or
1767 other obligations of the authority issued under this chapter or any of the coupons appertaining
1768 thereto, and the trustee or trustees under any trust agreement, except to the extent the rights
1769 herein given may be restricted by any resolution authorizing the issuance of, or any such trust
1770 agreement securing, such bonds or other obligations, may, either at law or in equity, by suit,
1771 action, mandamus or other proceedings, protect and enforce any and all rights under the laws of
1772 the commonwealth or granted hereunder or under such resolution or trust agreement, and may
1773 enforce and compel the performance of all duties required by this chapter or by such resolution
1774 or trust agreement to be performed by the authority or any officer, employee or agent thereof,
1775 including the fixing, charging and collecting of the rates, rents, fees and charges herein
1776 authorized and required by the provisions of such resolution or trust agreement to be fixed,
1777 established and collected.

1778 Section 16. The exercise of the powers granted by this chapter shall be for the benefit of
1779 the people of this commonwealth, for the increase of their commerce, welfare and prosperity,
1780 and for the improvement of their health and living conditions. The operation and maintenance of
1781 a project by the authority or its agent shall constitute the performance of an essential public

1782 function. Neither the authority nor its agent shall be required to pay a tax or assessment: (a)
1783 upon or in respect of a project or a property acquired or used by the authority or its agent under
1784 this chapter; or (b) upon the income from a project or a property acquired or used by the
1785 authority or its agent. The income from a bond issued or transferred under this chapter, including
1786 any profit made on the sale of the bond, shall at all times be free from taxation of every kind by
1787 the commonwealth and by the municipalities and other political subdivisions in the
1788 commonwealth.

1789 Section 17. (a) The authority may issue revenue bonds for the purpose of refunding
1790 outstanding revenue bonds of the authority, including the payment of a redemption premium on
1791 the bonds and any interest accrued or to accrue to the earliest or any subsequent date of
1792 redemption, purchase or maturity of the revenue bonds, and, if deemed advisable by the
1793 authority, for the additional purpose of paying all or any part of the cost of constructing and
1794 acquiring additions, improvements, extensions or enlargements of a project or any portion of a
1795 project.

1796 (b) The proceeds of revenue bonds issued to refund outstanding revenue bonds may, in
1797 the discretion of the authority, be applied to the purchase or retirement at maturity or redemption
1798 of such outstanding revenue bonds either on their earliest or any subsequent redemption date or
1799 upon the purchase or at the maturity of the bonds and may, pending such application, be placed
1800 in escrow to be applied to the purchase or retirement at maturity or redemption on a date as may
1801 be determined by the authority.

1802 (c) Escrowed proceeds, pending such use, may be invested and reinvested in direct
1803 obligations of the United States, or in certificates of deposit or time deposits secured by direct
1804 obligations of the United States, maturing at a time as shall be appropriate to assure the prompt

1805 payment, as to principal, interest and redemption premium, if any, of the outstanding revenue
1806 bonds to be so refunded. The interest, income and profits, if any, earned or realized on such an
1807 investment may also be applied to the payment of the outstanding revenue bonds to be so
1808 refunded. After the terms of the escrow have been fully satisfied and carried out, a balance of
1809 such proceeds and interest, income and profits, if any, earned or realized on the investments may
1810 be returned to the authority for use by it in any lawful manner.

1811 (d) The portion of the proceeds of a revenue bond issued for the additional purpose of
1812 paying all or any part of the cost of constructing and acquiring additions, improvements,
1813 extensions or enlargements of a project may be invested and reinvested in direct obligations of
1814 the United States, or in certificates of deposit or time deposits secured by direct obligations of
1815 the United States, maturing not later than the time when such proceeds will be needed to pay all
1816 or any part of such cost. The interest, income and profits, if any, earned or realized on such an
1817 investment may be applied to the payment of all or any part of such cost or may be used by the
1818 authority in any lawful manner.

1819 (e) All such revenue bonds shall be subject to this chapter in the same manner and to the
1820 same extent as other revenue bonds issued under this chapter.

1821 Section 18. Bonds issued by the authority under this chapter are hereby made securities in
1822 which all public officers and public bodies of the commonwealth and its political subdivisions,
1823 all insurance companies, trust companies, savings banks, co-operative banks, banking
1824 associations, investment companies, executors, administrators, trustees and other fiduciaries may
1825 properly and legally invest funds, including capital in their control or belonging to them. Such
1826 bonds are hereby made securities which may properly and legally be deposited with and received
1827 by any commonwealth or municipal officer or any agency or political subdivision of the

1828 commonwealth for any purpose for which the deposit of bonds or obligations of the
1829 commonwealth is now or may hereafter be authorized by law.

1830 Section 19. The authority shall be subject to section 56 of chapter 23A.

1831 Section 20. (a) The authority may take such action as it deems appropriate to enable its
1832 employees to come within the provisions and obtain the benefits of the federal social security act.
1833 If the employees of the authority shall come within the provisions of said social security act,
1834 their employment shall be included in the term "employment" as used in sections 1 to 7,
1835 inclusive, of chapter 151A.

1836 (b) Sections 26 to 29, inclusive, and sections 44A to 44M, inclusive, of chapter 149 and
1837 sections 39F to 39S, inclusive, of chapter 30 shall apply to the authority to the same extent and in
1838 the same manner as they are applicable to the commonwealth.

1839 (c) Notwithstanding chapter 106 or any other general or special law, the authority by the
1840 filing of financing statements, as provided in chapter 106, may perfect security interests in
1841 revenues and receipts of participating institutions, whether in the form of proceeds of accounts
1842 receivable or contract rights or otherwise, and in any rights to receive those revenues and
1843 receipts, and those perfected security interests shall take priority over any subsequently perfected
1844 security interests in those revenues, receipts or rights or in the accounts receivable, goods,
1845 contract rights, or other rights or personal property giving rise to the revenues, receipts or rights
1846 provided that the financing statements filed by the authority contain a reference to this section.

1847 (d) Real or personal property which forms or has formed any part of the cost of a project
1848 financed or refinanced in whole or in part by the authority shall be excluded from a calculation
1849 of real and personal property for any general or special law limiting the amount of real and
1850 personal property which may be owned or held by an institution.

1851 Section 21. Sections 1 to 20, inclusive, of this chapter shall be deemed to provide a
1852 complete, additional and alternative method for the doing of the things authorized thereby and
1853 shall be regarded as supplemental and additional to powers conferred by other laws; provided,
1854 however, that the issuance of revenue bonds and revenue refunding bonds under this chapter
1855 need not comply with the requirements of any other law applicable to the issuance of bonds
1856 including, chapter 106. Except as otherwise expressly provided in this chapter, none of the
1857 powers granted to the authority by this chapter shall be subject to the supervision or regulation or
1858 require the approval or consent of any municipality or political subdivision or any department,
1859 division, commission, board, body, bureau, official or agency of the municipality or political
1860 subdivision or of the commonwealth.

1861 Section 22. This chapter, being necessary for the welfare of the commonwealth and its
1862 inhabitants, shall be liberally construed to effect its purposes.
